MRS. WILLIAM A. BECKER, President General

MRS. JULIAN G. GOODHUE  
HISTORIAN GENERAL

NATIONAL CHAIRMAN, HISTORICAL RESEARCH COMMITTEE  
MEMORIAL CONTINENTAL HALL  
WASHINGTON, D. C.

June 17, 1937

My dear Madam Historian:

To those State Historians who have newly acquired their position, I extend a warm welcome to our circle, and to those of you who are continuing in your office, I renew my appreciation of your devoted work of the past. As I have said to some of you before, let us join our hands in a complete circle of fellowship and devotion to this department to which we have been chosen. Being the recipients of the confidence of those who elected us, we must all give to our offices the highest type of service of which we are capable. There are many who trust us to do so.

FILE OF

D.A.R. MARKERS

We repeat our pressing request that each chapter Historian gather the data on those D.A.R. markers which have been placed by her chapter during its entire lifetime. This means markers on historical sites or buildings, on the graves of Revolutionary soldiers or their wives, on old trails, on historic trees, etc., etc. In short, every D.A.R. marker which your chapter has ever placed anywhere.

This may entail considerable research work into the minutes of your chapter, annual reports of your treasurer, annual reports of the Committee on the Preservation of Historic Spots (which no longer exists by itself), reports of the Conservation and Thrift Committee (old name) for markers on trees. Consult the annual reports of these committees in the printed proceedings of your past State Conferences. I beg of you not to feel that this undertaking is too difficult.

It is important that you answer very definitely each of these five questions: Name and location of chapter which placed the marker; location of marker; when placed; commemorating what person or event; type of marker. If in cooperation with some other organization, please state this. If you can send a photograph of the marker which is not more than 3" x 5", we will try to paste it on the back of the file card. Many states have already sent in complete reports and others are working hard on them. Take your place in this valuable work and help us complete it with justice to your state. To do this, we are entirely dependent upon you. Do not give up!

SURRENDER ROOM  
OF MOORE HOUSE

Moore House at Yorktown, Virginia, is the farm house in which were drawn up the terms of the surrender of Cornwallis following the siege of Yorktown which closed the Revolutionary War. Our Society has been given the privilege of furnishing the room in which the terms were written and which is called the Surrender Room. The work is under the supervision of the National Park Service of the Government. Last year we were asked by that department to sponsor Moore House as a whole, and to furnish this one room. The annual Congress of 1936 voted to accept this invitation and we are proud to render this service.

Last year we asked for a contribution of one dollar per chapter with the intention of repeating that request this year. Hence, the amount was made very small. To date we have received a little over \$1000 which is a good beginning but not nearly enough to purchase the furnishings, which must be authentic antiques in order to be accepted. We have recently been granted permission to ask our states for individual pieces for the room, providing that these meet the specifications given us, and we have also been granted permission to purchase objects ourselves, rather than to merely turn over the funds to the National Park Service. In this way the room takes on a new interest and appeal. In a forthcoming issue of the D.A.R. Magazine, there will appear a descriptive list of the pieces of furniture which are desired for the Surrender Room. We shall concentrate on completing the furnishing of the room this year. Please stress it. This gives me an opportunity to express my gratitude to each chapter and state that contributed to this cause last year.

#### STATE HISTORY

##### MAPS

If you have not already produced a correct map of the historic spots of your state, please place that undertaking in competent hands this year. It must be absolutely authentic and you may make it as beautiful and artistic as you wish. At the last two exhibits of history material during our Congress, we received some amazingly fine state history maps. There should be an accompanying index so as not to mutilate the map by covering it with too much printing. You will probably wish to make it at least a yard wide, or long, according to the greater dimension, and you are at entire liberty as to the manner of treatment. Some maps were done in color. Some had beautiful drawings. See paragraph on Awards. ✓

#### SCRAP

##### BOOKS

The first paragraph of the Constitution of our Society mentions the preservation of historical records as one of our objectives. Chapter scrap books are essential for this purpose. The chapter scrap books are naturally submitted for judgment at the State Conference, and from these should be chosen one to send to the exhibit in the office of the Historian General during the next Congress. These must not be confused with publicity scrap books. The compiling of these scrap books should be governed by the following rules: 1. Accuracy of facts. 2. Efficient and logical arrangement of material. 3. Necessity of giving name and date of publication from which any clipping is used. If possible this should be cut from the publication itself and attached to the article. This places responsibility for the statements contained in the article. 4. An index and numbered pages, not merely a table of contents. This makes the scrap book a practical, usable reference. The scrap books must be in the hands of the Historian General one week before the opening of Continental Congress. To efficiently examine all of these books requires many, many hours. The rule for the reception of material for exhibition will have to be rigidly adhered to in mercy to the judges who must view them and in justice to the compilers of the books. ✓

#### AWARDS

##### OFFERED

The following awards will be offered for material submitted for the annual Congress in 1938: for the best state history map, \$10.00, second prize \$5.00; for the best history scrap book, \$10.00, second prize \$5.00; for the greatest number of pupils actually participating in history essay contests \$10.00, second prize \$5.00; for the most valuable and orderly collection of typed historical research material, \$5.00, second prize \$2.50. Material MUST be at Headquarters one week before the Congress.

#### PRESERVATION OF HISTORIC SPOTS

We urge you to keep in mind that the preservation of historic spots is no longer carried on under a separate committee. Three years ago the Congress ruled that all historic work of every kind be carried

on through the historians, national, state and chapter. It is perfectly proper to ask a member of your Historical Research Committee, perhaps designating her as a vice-chairman, to take the responsibility of any particular line of work, if you wish; but the Historian is always chairman of the Historical Research Committee under which all types of history work are pursued.

One of the outstanding objects of our Society has been and is to preserve historic spots. It is highly important that the facts which are claimed about an historic spot be verified before placing a marker. Experience has taught our members that sad mistakes have been made along this line, mistakes that could only be corrected later with embarrassment, some humiliation and expense. Accuracy and authenticity are watchwords in all history work. It is advisable to lay before your State Historical Society or some highly accredited professional historian, your claims as to the historical significance of the place that you are about to mark. We beg that you do this for your own peace of mind and to guard the reputation of the whole Society.

**TOWN MARKERS** Bronze and blue markers to be placed at the entrance of towns on the main artery of travel are available from Metalcrafts, 712-720 Reading Road, Cincinnati, Ohio, in two sizes: small size 18" x 24" at \$29.50 each, or two exactly alike for \$49.50; larger size, 24" x 36" at \$64.00 for one and \$119.00 for two exactly alike, f.o.b. Cincinnati. The price for either size includes an inscription of 300 letters. Additional letters carry a charge of two and one-half cents each. The name of the town should be at the top and the first line below it should give the date of its founding. It is suggested that the rest of the inscription bear information regarding the history of the town and possibly its outstanding historic event.

This is excellent, dignified publicity for our organization and a fine, practical way of cooperating with the town authorities and proving our pride and interest in our own communities.

**HISTORY ESSAY CONTESTS** For many years our chapters have promoted contests on historical subjects in our schools. This is one of the most valuable things that we can do for our young people. To study the lives of great characters or to understand the circumstances and the unfolding of great events, is a stimulating and uplifting experience for the young. How can we hope that youth shall attain to a high place of thought and action unless it has laid before it lives of heroic mold. Youth learns through interest and imitation. Let us provide a high ideal for both.

Since this year brings the observance of the Sesqui-Centennial of the signing of the Constitution of the United States, it is well to suggest a subject pertaining to that great theme, either something on the Constitution itself, the life of one of its Framers, or the Framers as a whole. Suggested subjects are "The Dramatic Side of the Framing of the Constitution" or "What the Constitution Has Done for the United States", or a similar subject of your own choosing.

If you wish to give medals rather than money or some other gift, beautiful ones inscribed for excellence in history may be had from Mrs. R. P. Sweeny, 76 Brighton Road, Atlanta, Ga., at \$1.00, \$2.50, \$4.00, or \$6.00, according to kind.

**RARE MANUSCRIPTS** It is the desire of the Society to gradually accumulate a collection of rare historical manuscripts and documents. Original manuscripts and first editions of valuable printed material are what we want. It is to such "source material" that all historical writers have looked for their

facts. We want original records and shall be very grateful for those which you add to our collection. It must be understood that the acceptance of such a gift as being appropriate to our collection will have to lie in our hands with the guidance of the Library of Congress.

**HISTORY READING GROUPS** Although recognizing the very busy lives which women lead in these days, as well as the education of our members, we press the matter of History Reading groups. There are now quite a number of these in our ranks and they are giving a delightful and consistent opportunity to advance knowledge of history, past and current, in the attractive setting of companionship. The most successful of our History Reading groups chooses a reader for each meeting and the listeners bring their knitting or sewing. Generally reading lasts for two hours. If that seems tiring, shorten the time. A simple luncheon is in some cases served by three or four members of the group each time, for which those present pay a small sum so that there shall be no appreciable expense entailed. Do try this in your community. The most successful group of which I know is now in its fourth year and is tremendously popular. The members of it belong to many organizations and lead the busiest of lives, but they cherish this particular event which they enjoy every two weeks.

**HISTORICAL SOCIETIES** If you do not have an Historical Society in your County and it seems a practical thing for you to do, why not interest other groups, especially the Library, or perhaps the Woman's Club, in forming such a society. Remember that objects of the old days which are still treasured will soon be lost or destroyed, and now is the time to preserve these landmarks of another day.

**FERRIS HISTORICAL PRINTS** We call your attention again to the beautiful Ferris Historical Prints in lovely colors. The originals of these by J. L. G. Ferris hang in the Smithsonian Institution in Washington, D. C. The gift of a series of these historical prints to your school, or to a group of young people with headquarters, is a splendid way to keep the outstanding events of our American history before them in an attractive and appealing manner. These prints may be ordered through the office of the Historian General at \$39.85 per set of forty, or individual prints may be had at \$4.00 each. For a list of subjects, address Mr. Frank L. Ford, 1419 Hickory Street, Waukegan, Illinois, sole distributor. \$5.00 of the amount will be refunded to the chapter ordering a set of the prints, to be used for some history work.

**HISTORICAL ANNIVERSARIES** Outstanding historical anniversaries should be observed in some way by all chapters. It may not be possible to give the whole meeting to the theme, but a few minutes should be given to remind the chapter of the personage or event whose anniversary falls upon that day. Above all things, plan some outstanding commemoration of the Sesqui-Centennial anniversary of the adoption of the Constitution, which falls on September 17, 1937. We should make our obeisance to this great occasion.

**GRAVES OF REVOLUTIONARY SOLDIERS** If a chapter has in its community, or adjacent to it, the grave of a Revolutionary soldier it is hoped that it will mark this as we wish to pay honor to those men who served in the War of Independence. Markers for the graves of wives of Revolutionary soldiers are now also available.

In reference to obtaining any type of bronze marker, it is suggested that chapters send for catalogues from Newman Bros., Cincinnati, Ohio; Metalcrafts, address given above; J. E. Caldwell & Co., Chestnut & Juniper Sts., Philadelphia, Pa., and others whom it may know. It must be remembered that no

foundry may make a marker bearing the insignia of our Society without first applying for permission from the National Society to use this insignia. This is a matter which should be carefully considered and respected.

PAGEANTS, PLAYS           We encourage the writing and giving of pageants and plays based  
EXHIBITS, SKETCHES       upon historical themes, as also do we commend exhibits of  
antiques of various kinds.

HISTORICAL RESEARCH   It is obvious that new light upon the past has distinct value  
SHOULD UNCOVER           and is constantly sought by historians. In such work as is  
NEW FACTS                 done by chapters and members, let us keep in mind that the  
re-telling of what has already been told has not a great value except that of  
interest to the listener. It may be that there are still pioneers in the community  
who have in their memory facts which are unknown to the community in which they  
live. If someone can interview them and secure from them a signature to such a  
review of their story as she may write and later read to them for approval, it  
would take its place in the archives of your State Library, in all probability.

FUTURE                    A questionnaire will be sent you in mid-winter which will cover  
QUESTIONNAIRES           all of the points mentioned. Do not be discouraged by sup-  
posing that your Historian General expects you to undertake all of the lines of  
work suggested. This would be entirely unreasonable. She offers you a large  
choice, knowing that what appeals to one chapter may not to another, but that there  
is in the above program at least one line of history work which every chapter may  
espouse happily and with success. The number and choice of objectives lies in their  
hands, but we encourage them to take up as many as they can do well. All lines  
should be presented to them. Let no chapter forget the file of Historic Markers  
and Moore House.

To appreciate the institutions and the privileges of the present by knowing something of the vicissitudes through which they came into being, provides a definite growth for the spirit and inspiration to evaluate the good and the great. So doing, we form our ideals and project our hopes and aspirations into the future. Again, join hands with each other and with me in a circle which shall gird our common gratitude and common purpose. If your handclasp on this work is strong, you, from your place, will contribute strength and energy to the whole. I am counting on you with full confidence and may God lead and inspire you in your undertaking.

Faithfully yours,

*Mary A. Goodhue*

HISTORY

MARIEMONT CHAPTER, D.A.R. 1937-38

The annual Flag Day celebration was held in the lovely gardens of Mrs. Robt. Matlack, Flag Chairman, Newtown, Ohio, Saturday, June 12, 1937 at 2:30 P.M.

The program was opened by the Lord's Prayer, followed by the the Salute to the Flag and the singing of the Star Spangled Banner. Miss Margaret Thomas, outgoing regent, introduced Mrs. John S. Heaume Ohio State regent to the chapter. Mrs. Heaume in her talk stressed the need for more Junior American Citizens Clubs.

Two Girl Scouts from the Newtown Troup participated in the celebration: Caroline and Catharine Johnson. Caroline ably presented a brief history of the American Flag.

Mrs. C.P. Sticksel, Chairman of the Constitution Tree Committee, stated that an American Elm tree had been planted in the Newtown School yard. Mrs. R.C. Jones, also of the committee, made the dedicatory address.

Mrs. B.W. Stallard, assisted by Mrs. Chester Hall, pianist, gave a musical reading: "In the Market Place". As an encore, she read an Irish monologue: "On Being Cliniced."

Following the readings, Mrs. O.B. Kaiser, read her dedicatory poem: "Tom The Elm Tree." She concluded by dedicating the newly planted Elm to Miss Margaret Thomas, retiring Chapter Regent.

The State Regent then installed the following officers for the year 1937-38:

Regent: Mrs. Clifford Pohl  
Vice-Regent: Mrs. Geo. Heidenreich  
Recording Secretary: Mrs. Stanley Currier  
Corresponding Secretary: Mrs. Grandin  
Treasurer: Mrs. Harry Binder  
Registrar: Mrs. C.P. Sticksel  
Custodian: Mrs. Paul V. Kreider  
Historian: Miss Ramona Kaiser

Following the services, Mrs. Pohl presented Miss Thomas with the ex-Regent's pin.

Dainty corsages of red and white roses and blue corn flowers

were presented to Mrs. Heaume and those taking part on the program. The members received potted herbs from Mrs. Matlack's herb garden.

Refreshing punch and cakes were served to members and guests, thus completing this delightful afternoon.

TO THE AMERICAN TREE

THE ELM

Written for the dedication of an American Tree  
planted in the yard of the New Town School  
June 12, 1937, in honor of Miss Maragent Thomas  
regent of the Mariemont Chapter Daughters Of The  
American Revolution. This tree planting was the  
suggestion of Mrs. O. B. Kaiser and was adopted  
by the Mariemont Chapter to plant a tree for  
every regent, who has served this Chapter.

We have planted here, this small elm tree  
And trust it will grow to maturity  
Tall and vigorous it seems to be  
A child, small and frail in its infancy

It needs a mother's untiring love  
To nourish this tree made by God above  
It must be watered and nursed with care  
If neglected here, will die in despair

The Elm is called, American Tree  
It gave shade to men of great Loyalty  
Under branches, Liberty's sons met  
There signed a treaty, men shall not forget

Against tyranny to save this great land  
Washington one day bravely took command  
Under this Elm, courageous they stood  
He with his army formed a Brotherhood

The year of Seventeen and ninty-three  
On his march northward, under an Elm tree  
Anthony Wayne tied his horse that night  
And there with his troops, slept under starlight

For service well done, we plant this tree  
Honoring regents who served faithfully  
Regent, ~~Your~~ Chapter this Elm tree give  
Best wishes, that both long on earth shall live.

### National Officers Guests of Southwest District in Vibrant Session at Ripley

MRS. A. J. DUNHAM, Dayton, Southwest District Director

Daughters of the Southwest district gathered in the Methodist church of Ripley on Wednesday, September 29, at 10 a. m. A beautiful day made possible a fine attendance of 170.

The state regent, Mrs. John S. Heaume, opened the meeting with friendly words to the members. Prayer was offered by Mrs. Harry Tyler, chaplain of Ripley chapter. The director of the district was introduced by Mrs. Heaume and she in turn presented Mrs. Charles Lemon, regent of Ripley chapter, who cordially welcomed all present. The response to the welcome was made by Mrs. A. C. Messenger, vice president general.

The district was greatly honored by having present Mrs. Lowell F. Hobart, honorary president general, and also Mrs. Thomas Kite, honorary vice president general for life, under whose regime as state regent, Ripley chapter was organized.

Following the introduction of state officers present and a delightful vocal solo by Miss Florence Baird, accompanied by Miss Stella Sacker, the morning was devoted for the most part to outlines of work by state chairmen.

An appeal for help again this year in meeting half the expense of the Boy Scout executive in Cleveland brought many pledges from chapters. Others will doubtless contribute, and all contributions are to be sent to Miss Esther Chance, state treasurer, marked for Boy Scout executive.

The state regent presented the

cries need at Crossnore for material for warm night clothes. Many yards of outing flannel are to be sent by individuals and chapters from Southwest district.

Before the morning session closed there was presented by Mrs. R. C. Snyder, member of the National campaign committee, a Resolution in regard to the endorsement of Mrs. John S. Heaume for the office of recording secretary general on the ticket of Mrs. Henry M. Robert. Mrs. Paul R. Minich, regent of Lagonda chapter, Springfield, moved to adopt and with one accord all present rose to second and vote unanimously in favor of the motion. A bouquet of gladioli was presented to Mrs. Heaume in token of the love and pride that members of the Southwest district feel because of this honor, and in addition a gift from her own chapter was presented to her. Mrs. Heaume very graciously responded to these favors.

Lunch was served by ladies of the Christian church in the dining room of that building. During the lunch hour Miss Baird sang again delightfully.

At 1:45 p. m. the meeting was resumed in the Methodist church, with further outlines of work by state chairmen and roll call of chapters. A brief incident of local history was related by Mrs. Frank Harford, who told of meeting personally a woman who, as a little girl, was thrilled by the bringing into her father's home of the famous Eliza and her baby after her flight across the Ohio river.

Mrs. Kiser of Mariemont chapter spoke of the Woman's Exposition to be held in Cincinnati on Nov. 10, when she is to have the privilege of introducing our state regent as the outstanding woman of Ohio!

Four lovely young girls, daughters of Ripley chapter members, served as pages during the meeting — Barbara Briggs, Josephine Liggett, Patricia Stivers and Miriam Stivers.

The day following the district meeting an invitation came from Mariemont chapter, Mariemont, Ohio, asking the district to be guests of the chapter for the 1938 meeting. The district is very happy to accept.

**MARIEMONT**

Mariemont Chapter held its first meeting at the home of Mrs. Walter Hannah September 28, with the new regent, Mrs. Constance Pohl, presiding.

Preceding the regular form of business was a program on the "Evolution of American Music," in charge of Miss Alice Langdon. Miss Langdon summarized American Music from 1620 to the present. The composers represented were: Francis Hopkinson, Stephen Collins Foster, Chadwick, James Rogers, Oliver Holden, Ethelbert Nevin, Mana Zucca, Carrie Jacobs-Bond, and a local composer and member, Mrs. O. B. Kaiser. These were interpreted by Mrs. W. B. Wright, soprano; Miss Alice Langdon, pianist; Mrs. Robert Matlack, soprano; Miss Grace Grueniger, contralto; Mrs. Helen Ehlers, soprano; and Mrs. O. B. Kaiser, soprano.

After a short business session, the meeting was adjourned for tea.

Five members of Mariemont chapter attended the Southwest district meeting at Ripley: Mrs. Constance Pohl, regent; Mrs. A. C. Wilson, senior president, C. A. R.; Mrs. C. P. Stickel, registrar; Miss Ramona Kaiser, historian; and Mrs. O. B. Kaiser, Better Films chairman. On the return home, they stopped at the Grant birthplace in Point Pleasant.

**Will Honor State Regent at Cincinnati Exposition**

On the opening evening of the Greater Cincinnati Woman's Exposition, Music Hall, Cincinnati, November 10, women of achievement today and yesterday will be given honor on a program in charge of Mrs. O. B. Kaiser, Mariemont chapter. One of the first women to be presented will be our state regent, Mrs. John S. Heaume. She will appear, under the title of "Patriotic Women."

Mariemont Chapter, Mariemont, originally chose the name "Mariemont Anthony Wayne"; namely, for the model town in Hamilton county and for the great Indian fighter. Due to another chapter having the name "Anthony

Wayne", this part was dropped by the National Society.

Mariemont was named for Mrs. Mary Emery, noted Cincinnati philanthropist, whose dream was to build a model town for families of moderate means. The ground for the town was broken in April, 1923, by Mrs. Emery.

Mrs. Clifford Pohl, Regent.

**MARIEMONT**

**Mariemont Chapter's** October meeting was held at the Mariemont Recreation building on the evening of the twenty-sixth, with the regent, Mrs. Constance Pohl, presiding.

Preceding the regular form of business, the speaker of the evening, Judge Clarence Denning, was introduced. His topic was "The Constitution". He gave a brief history of its development and purpose.

During the business session the name of Mrs. John S. Heaume, our well-loved state regent, was unanimously endorsed by the chapter for the national ticket.

On November 23 the chapter met at the home of Mrs. V. V. Malcolm, Chapter National Defense chairman, with the regent, Mrs. Constance Pohl, presiding.

Mrs. Otis Cameron, Chapter Ellis Island chairman, gave a very interesting talk concerning the work of the D. A. R. among the immigrants.

After the reports of the committees, the speaker of the day, Mrs. C. H. Rich, was introduced by Mrs. A. Ronsheim. She spoke on the subject: "Women of Russia". Mrs. Rich, recently returned from Russia, told some startling facts concerning social conditions there. She saw Russia as a tourist, with its glamour; and, also, in its true light, through unexpected sources.

After the adjournment of the meeting, tea was served.
